**HEARING ORDER**

On March 31, 2025, NS Power filed its 2024 Annual Performance Standards Report. Under s. 52D(4) of the *Public Utilities Act*, following the receipt of this report, the Board may order NS Power to pay an administrative penalty or to develop and file a plan for bringing itself into compliance with a performance standard, or both, if the Board determines that NS Power has failed to achieve any performance standard established pursuant to Section 52A.

The Board has determined that this proceeding will be conducted by way of a paper hearing.

The following timetable will apply to this proceeding:

Notices of Intervention	<b>Wednesday, April 23, 2025</b>
Information Requests (IRs) to NS Power	<b>Wednesday, April 30, 2025</b>
Responses to IRs from NS Power	<b>Thursday, May 22, 2025</b>
Deadline for Intervenors to seek leave to file Evidence	<b>Thursday, May 29, 2025</b>

**The balance of the schedule assumes that leave to file intervenor evidence has not been granted. If leave to file evidence is granted, the schedule for this proceeding will need to be adjusted to account for filings associated with that evidence and the potential that the matter may be converted to an oral hearing.**

**Thursday, June 5, 2025**

Written Reply Argument (All parties)
