

NOVA SCOTIA ENERGY BOARD

NOTICE OF PAPER HEARING

Application by the Town of Mahone Bay for Approval of the Capital Costs of its Community Solar Garden

The Town of Mahone Bay has applied to the Board for approval of the capital costs of its community solar garden. The total cost is \$6,400,000, which includes about \$4,000,000 in expected grant funding from the federal and provincial governments. The remaining amount of about \$2,400,000 is proposed to be recovered from ratepayers through the Town of Mahone Bay Electric Utility's revenue requirement, beginning in the next General Rate Application. Only the actual incurred final project cost, net of grant funding, would be included in the utility's revenue requirement.

The Board will consider this application in a paper hearing process and the following timetable will apply:
