IN THE MATTER OF THE Motor Carrier License No. P03265 and Commercial Vehicle License No. CV01081 granted to **NOVA SCOTIA ACCESSIBILITY ASSOCIATION**

BEFORE:

 Julia E. Clark, LL.B., Vice Chair
DECISION AND ORDER

NOVA SCOTIA ACCESSABILITY ASSOCIATION (NSAA) holds Motor Carrier License No. P03265 and Commercial Vehicle License No. CV01081 granted by the Board.

Joshua Landry, President of NSAA, notified the Clerk of the Board by email dated August 14, 2026, that NSAA would cease all operations and services effective September 1, 2026. Since that initial correspondence, the Board has not received a response from the Motor Carrier to the Board's multiple requests for further information.

Section 24 of the *Motor Carrier Act*, RSNS 1989, c 292 (*Act*), requires a Motor Carrier to apply to the Board prior to abandoning or discontinuing any services under a license. An Order of the Board authorizing the abandonment of a service may be granted only after a hearing with such notice as the Board may direct. Further, s. 19 states that the Board may, for cause, cancel any license for failure to operate in accordance with the licenses, the *Act* and *Regulations*.

Notice was published in the Royal Gazette on Wednesday, September 30, 2026, and provided to the industry. There were no objections to the cancellation of the licenses received by the stated deadline of October 7, 2026.

Having considered the *Motor Carrier Act*, including the factors set out in s. 13, the Board authorizes the abandonment of all NSAA public passenger services and the cancellation of the licenses.

The Board orders that Motor Carrier License No. P03265 and Commercial Vehicle License No. CV01081 be cancelled effective immediately.

Dated at Halifax, Nova Scotia, this 9th day of October 2026.

Lisa Wallace

Clerk of the Board
