DECISION AND ORDER

Sunshine Atlantic Holdings Ltd. applied to the Nova Scotia Regulatory and Appeals Board on July 28, 2025, for approval to amend existing Motor Carrier License No. P03017 and Extra Provincial Operating License No. XP03018 by adding two (2) 14-passenger vehicles to each license to operate under its existing rates and authorities.

Notice of the application was published in the Royal Gazette on Wednesday, September 10, 2025, and notice provided to the industry. There were no objections received by the stated deadline of September 17, 2025.

The application was considered by the Board without a hearing on September 18, 2025. Having considered the *Motor Vehicle Transport Act* and the *Motor Carrier Act*, including the factors set out in s. 13, the Board finds it is in the public interest to approve the application.

The Board approves the application and orders that the licenses be amended, as noted above, effective immediately.

DATED at Halifax, Nova Scotia this 18th day of September 2025.

Pamela McGarrigle

Clerk of the Board
